Things To Consider

- Study abroad? Good idea to save AE, LI, ID160, and/or LH305 to complete while abroad
- Athletics (should try for a M&W LS and should avoid courses that meet after 3:00pm)
- Internship? What term would be best to do an internship... fall, spring, or summer based on your program requirements and prerequisites?
- Electives- how many electives will you need to get to 122 credits? What types of courses will you take to fulfill elective credit?
- Other (based on major)
