- ☐ Any other courses (generally lower-division) the student finds interesting or wants to explore
- ☐ Art, Dance, Music, Theatre, and/or Spanish if students are interested in or want to continue in these areas – please introduce students to faculty in these departments during NSOR
- ☐ Physical Education Course

Average 15-16 credits total

Students in the Honors Program should register for:

✓ Introductory Major Courses

✓ LH110 Foundations (4 credits)

First-Year Experience Courses

- ☐ TH111: Thinking Theologically (3 credits)
- ☐ QR101: Quantitative Reasoning (3 credits) (can be taken concurrently with M100 or M102)
- ❖ *Students in Honors do not take E130: First-Year Writing*

Other Courses to Consider

- ☐ Any other courses (generally lower-division) student finds interesting or wants to explore
- ☐ Art, Dance, Music, Theatre, and/or Spanish if students are interested in or want to continue in these areas – please introduce students to faculty in these departments during NSOR
- ☐ Physical Education Course

Average 15-16 credits total

Reminders:

- MN residents receiving the MN State Grant are required to take a minimum of 15 credits per semester
- Music Scholarship Awardees must register for a music ensemble (MUE) course
- If students are interested in another discipline, please make sure they connect with those faculty – Bethany Mota is available to help make those connections
- Do not register new first-year students for:
 - COM101: Public Speaking
 - ID160: Artscore
 - TH112: History of the Bible
 - TH113: Bible and Belief

Orientation Leaders and How They Can Help with New Components:

Portal Requirements

To help ensure students complete the following information in the portal, they will be working on this during the advising and registration session. They will have seen a preview of what to do in the pre-advising session and Orientation Leader's (OL) will be available to help them if needed as well. It should take 5 minutes at most.

- ✓ Consent to do business electronically (must be done before students can register)
- ✓ FERPA designations
- ✓ Emergency Contact Information
- ✓ Directory Information

After Registration

- Direct students to **HC19** when they are done registering (*They will reconnect with their OL and enjoy snacks until the next rotation.*)
- Orientation leaders will have a checklist to work from to confirm that each student:
 - ✓ Entered all required information in the portal
 - ✓ Has a balanced schedule and that course placement looks correct
 - ✓ Had a chance to connect with faculty from all departments they have an interest in
 - ✓ Completes the NSOR evaluation

Things You May Consider:

- Wear your Saint Mary's nametag
- Bring your business cards
- Bring department/major brochures and/or other handouts you would like to share with students
- Provide a small parting gift from your department if you wish (candy, pens, etc.)
