...

- To complete the Integrated General Education Program (IGEP), students are required to take the following courses based on the number of credits transferred:
 - 1-23 credits: Must complete an FYE Anchor Course, QR101, E130, and TH111, unless equivalent courses are substituted for these, as well as the IGEP Minor and distribution requirements, Capstone, CE requirements, and Oral Communications requirement. Transfer credits may be applied to the IGEP Minor and distribution requirements, as long as 9 upper-division credits from 3 courses are taken within the IGEP Minor.
 - 24-55 credits: Must complete the IGEP Minor and distribution requirements, Capstone, CE requirements, and Oral Communications requirement. Transfer credits may be applied to the IGEP Minor and distribution requirements, as long as 9 upper-division credits from 3 courses are taken within the IGEP Minor.
 - 56 + credits: Must complete the Capstone, CE, and Oral Communications requirements, as well as the distribution requirements. Transfer credits may be applied to the IGEP Minor and distribution requirements, as long as 9 upper-division credits from 3 courses are taken within the IGEP Minor. In exceptional cases, an independent minor (for transfer students only) consisting of transfer courses and Saint Mary's courses from any IGEP minor may be approved as long as 3 courses are upper division and the disciplinary distribution requirements are met.
